

Please note that you will need to set this template up for YOUR domain: Changing pertinent information such as the Domain Name, Code, City, State, Chapters, Number of members, Officers, etc. Once you change that information, the highlighted areas and notes will help you to edit your report each month. I suggest copy and pasting your report and only changing the relevant information each month.

Domain Borders: Bryan/College Station, TX

Domain Contact E-Mail Address: harleigh@gmail.com

Domain Treasury, if any: \$52.50 ** This may seem unimportant, but it is REALLY important. Regional takes this number and includes it on their report; WW has to keep a running tally of this money for tax purposes. The domain money is being deposited into the Cepheid account, HOWEVER, the Cam still has to have a running tally of it. Ernie has been the treasurer since I have been gone, so he is the person to contact about updates.

Domain Upcoming Schedule of Events:

Changeling Game - ?? ** See if you can get the info from the ST, otherwise leave it blank.

Requiem Game - Friday, March 7, 2008 ** first Friday of each month (unless otherwise moved for holiday/university closing/etc)

Requiem Game - Saturday, March 29 - **FGotM** ** third Saturday of each month (unless otherwise moved for holiday/university closing/etc)

Forsaken Game - ?? ** See if you can get the info from the ST, otherwise leave it blank.

Magel Game - ?? ** See if you can get the info from the ST, otherwise leave it blank.

Domain Events over the past month:

Socials - Movie night 3/6/09, saw Rocky Horror ** Report any and all social events. Be sure to include the date of the event and what you did. You can also include location of the event. If you didn't have any socials, just put "none this month"

Education - Prestige Night 3/28/09 to teach about new prestige rules, how to report, etc. ** Report any and all educational events. Be sure to include the date of the event and a brief description of what took place. Including the location is also a good plan. If you didn't have any socials, just put "none this month."

Last Domain meeting: 9/7/07

Next Domain meeting: whenever we have something significant to talk about

Minutes from last meeting:

Current Projects:

+Constant Can Goods/Clothes drive.
+Coke donations always wanted... so we have some to sell at the game. :)
+Trying to get more socials going.
+Trying to get the game schedules at the beginning of the month, to be able to better promote in town and across the lists.
+Requiem: We need to recruit, including bringing players from non-VtR venue to Requiem.
+Forsaken: Attendees are encouraged to bring snax for prestige. If games are at Miranda/Rob's place, all attendees will be players or quiet. Distractions are severely slow down games.
+Lost: Ernie has become the official VST.
+Awakening: Dave Dickens is recruiting players for the Awakening game.

** domain meeting info - change this only after having a domain meeting. Domain meetings need to be announced ahead of time so that everyone has the opportunity to attend. (while having them at Requiem meetings is handy because "most" people are there, you need to also consider the people who do NOT play Requiem; they are still part of the domain and should be given notice of the meetings so that they can attend as well.)

Side note: "can goods/clothing Drive" is something you can hold open for all time for anyone who wants to donate items. Same goes with the "coke donations." If you as DC, would like to close it down, you may. I would suggest pimping it out and trying to get the domain involved more. Donations to Goodwill, Salvation Army, etc and other charity drives are always good.

Problems:

Keeping players un-expired. ** If you have honest problems, list them. Otherwise you can leave it blank, or put in something fun. Also, any problems ADCs/STs or general members bring to you that you are unable to solve (or if you want to follow-up with regional), this would be a good place to post them.

Questions:

How do you motivate the uninspired?

Can anyone keep a director from going crazy? ** If you have honest questions, list them. Otherwise you can leave it blank, or put in something fun. Also, any questions ADCs/STs or general members bring to you that you are unable to solve (or if you want to follow-up with regional), this would be a good place to post them.

Suggestions:

Send information on some education opportunities in the organization. **same thing as the above two; if you have honest suggestions list them, otherwise leave it blank or put something fun. Also, any suggestions ADCs/STs or general members bring to you that you are unable to solve (or if you want to follow-up with regional), this would be a good place to post them.

Disciplinary actions: N/A

- none **This changes only when there is an actual disciplinary action filed and documented (which means that a grievance was filed, you already completed an investigation, and all other appropriate Cam rules were followed).

IF you have disciplinary actions to report, the full report with all the details (ie, suspended for X days, X MCs taken away, people involved, etc) should be sent to the sc-reports list, ANC Chapters, and RC. **In the report that you forward to the local list or other parties, the "disciplinary actions" section needs to be highly edited, or removed completely,** to protect the personal information and privacy of those who had disciplinary actions against them.

Member Tracking & Recognition

Members transferred:

- none this month

** This changes when a member has transferred membership to a different domain. Note: this is a player changing domains, NOT players moving characters to different VSSs. If you have a membership transfer, it would look like this:

- Jessica Fazio, US2002034251 - transferred to Oklahoma City OK-010-D

Members at MC 9 or Higher:

Jessica Fazio, US2002034251, MC11

Ernesto Ramos III, US2002023705, MC12

Ken Reinertson, US2002022204, MC13

John Tucker, US2002021887, MC11

** Add members when they receive MC 9. Also be sure to update when the people already on this list, move up to the next MC class.

Members with NEW MC class:

- none this month

** Change this only when a member of your domain has been approved by you (or the appropriate level coordinator) for the next MC class. For EXAMPLE (*IF* there were MC increases) it would look like this (instead of "none this month"):

Jessica Fazio, US2002034251 - MC 11 TO MC 12 (Nationally Locked)

Lance Ferguson, US2006098633 - MC 3 to MC 4 (DC Jessica Fazio approved)

Dave Dickens, US2002021091 - MC 8 to MC 9 (ARC Prestige Bekkah Anderson approved)

AWARDED Prestige:

DST Recommendations:

- Justin Morrow (US2006098631) 40g vst awakened

- Lance Ferguson (US2006098633) 20g vst requiem

- Ernie Ramos (US2002023705) 40g vst lost

- Miranda Farmer (US2006098562) 35g vst forsaken

- Miranda Farmer (US2006098562) 30g aDST records

VST Recommendations:

- Tressler, Jedediah "Jed" (US2005086234)

Comm. Service: Donating Cam-needed material

Snacks for players: Goblin Fruit (Veggie plate + Kiwis) 5g

** Remind the DST/VSTs to submit their prestige recommendations when you remind the domain to submit their prestige reports each month (ie, around the 23rd of each month). The DST and VST recommendations are directly from their e-mails. If you agree with all the information, simply copy and paste it into the domain report. If you don't agree, adjust the numbers, then put them in the domain report. IT IS **NOT AWARDED UNTIL YOU** PUT IT IN THE DOMAIN REPORT AND **APPROVE IT**. (IE, STs cannot "award" prestige)

ADCs and general members can recommend prestige for their fellow Cammies. **YOU** are the **only one that can award general prestige** to them. Regional and National prestige can only be AWARDED by regional and National (respectively). You, as DC, can recommend reg/nat prestige to the reg/nat coordinators (see below fields).

waves magic wand done!

** This is your "approval" of the prestige. You can use any approval phrase you wish; you can change it each report or leave it the same.**

Members over 100 Prestige for the month:

- Dave Dickens, USUS2002021091 - 88 G, 2 R, 10 N ** This changes each month. Look at the prestige reports that you include below for the members that have reported; If any of them are claiming 100 combined prestige OR more, include their names and the totals for each category here. DO THIS FOR ALL MEMBERS CLAIMING 100 OR MORE PRESTIGE IN ANY GIVEN MONTH.

Example: Dave's prestige report for this month is:

General: 2738 + 88 = 2826

Regional: 130 + 2 = 132

National: 25 + 10 = 35

He is the only one claiming 100 prestige or more, so he is listed above as: Dave Dickens, US2002021091 - 88 G, 2 R, 10 N

Members nominated for Regional Prestige:

- all regional prestige being claimed was in the Nov regional Report ** If people have claimed regional prestige WITH it having already appeared in a regional report, the above statement is all you need.

HOWEVER, if people are claiming regional prestige that has NOT already appeared in a regional report, then you need to list the person here, with their Cam #, and the amount of regional prestige.

For example: **IF** the 2 prestige from the example with Dave above was for something such as a charity drive OR for something special you were recommending for him (And NOT from Admin Duties which already appeared in the regional report), then you would list him here as such:

- Dave Dickens, US2002021091 - 2 R

Side note: Admin Duties where 2 R has been awarded are VERY common. The 2 R is awarded in the regional report. They do NOT go in this field because they have already been

awarded by regional in the previous regional report. (Dave, Ernie, and Jess are some examples of this award as you can see below in their prestige reports. Anyone who claims this award must list the regional report that the award appears in. Again, see Dave, Ernie, or Jess's reports below.)

Members nominated for National Prestige:

- all national prestige is for global surveys and can be found on the national archive ** Same thing as for the regional prestige above.

** The above section changes EVERY month. Copy and paste each report sent to you each month into this section alphabetically by last name. It may seem ridiculous to alphabetize them, however, when you have to look up stuff and reference the report later, it will make it a LOT easier to have them alphabetized.

NOTE: Not only is it your job as DC to make sure that prestige reports end up in the domain report, it is your job to **CHECK EACH AND EVERY ONE OF THEM.** You need to make sure that the prestige being claimed is in the correct category (admin, community service, exceptional service, etc), that the prestige being claimed does not exceed the max for each category/type of prestige being claimed, that all regional/national prestige has sufficient proof (ie, surveys have websites, regional admin awards have the regional report documented with them, etc), and that each person's new totals are correct (ie, no math errors).

You are not simply reporting, you are putting your name/backing/approval on this as DC.

=====

End report.

Other important info:

- Where to send reports:
 - o Local lists
 - o US-SC Reports - us-sc-reports@cammal.white-wolf.com
 - o Other people to include to date: ARC Prestige sc.arc.prestige@gmail.com, the AARC for your area (South - Texas, sc.aarc.prestige@gmail.com OR North - Oklahoma, Louisiana, Arkansas, sc.aarc.prestige.2@gmail.com), US ANC Chapters us.cam.anc.chapters@gmail.com, your ADC, yourself.

It would be wise to make a folder in your e-mail account and e-mail it to yourself as well. You will need to consult the reports for various reasons as DC and having a copy in your own folder will be helpful.

- DC's prestige report:

- You cannot award your own prestige; so you need to send your prestige report to regional each month, as well as include it in the domain report. Send your prestige report to: sc.arc.prestige@gmail.com and the AARC Prestige of your area, South – Texas, sc.aarc.prestige@gmail.com OR North – Oklahoma, Louisiana, Arkansas, sc.aarc.prestige.2@gmail.com.
- Each month the ARC Prestige will include your prestige report in the regional report. IE, it's not official and OK to claim until it appears in the regional report.

A completed, neat copy of the above domain report is posted below so you can see how it looks without all the instructions:
